Subject: Response Letter – Closure Extension  
Henderson County Solid Waste Landfill Facility  
Permit No. 45-01  
Henderson County  
DIN 6536

Dear Mr. Jones:

The Division of Waste Management received a request for an extension of six (6) months for the closure of the Construction and Demolition Landfill at the Henderson County Municipal Solid Waste Management Facility, on December 29, 2008, entitled;

- *Request for Extension*. Permit No. 45-01. Prepared by Will Sagar, Manager, Henderson County Solid Waste Division. Prepared for Henderson County. December 18, 2008. DIN 6065.

In order for the Division to approve the proposed extension, immediately provide a schedule of activities leading to closure. All proposed scheduled activities must be completed no later than June 30 2009. Include, in your list of activities, the requirements of 15A NCAC 13B .0510(a) which require that you notify the Division in writing that the site has been closed in accordance with 15A NCAC 13B .0505, a date for the proposed site inspection and the date of presentation of the results of representative "test holes" to determine compliance of the final cover.

Please understand that no further extensions will be approved for this closure beyond June 30, 2009. Should you have any questions regarding this matter you may contact me at (828) 296-4704.

Sincerely,

Larry Frost  
Regional Engineer
